

RCOG EMERGENCY PLAN

ADULT GROUPS

In the event of an inclement weather emergency, we ask that you follow the directions of the leadership here at RCOG. Your children will be located or relocated to very specific areas in the Family Life Center during the threat of inclement weather or specifically a Tornado Warning. Please understand, no children may be taken until they have been checked out with Pastor Josh. This is for their safety.

We ask you to trust that we have taken special care to make sure your children are safe, but if you must, you may stay with them in the following areas:

KidCity: Rooms 1E, 1H, 1J

YM: Rooms 1F, Men and Women downstairs bathrooms, YM Hallway

College and Career: 1D

Pastor Josh or another member of the Safety Team will clear you to exit the classroom after the Warning is over.
